

Model E Indoor Rower

The **Model E Indoor Rower** offers presence and durability with its 20 inch frame height and powder coat with glossy finish. From a practical standpoint, the higher frame means easier on-and-off for those with tired knees or mobility considerations. One-piece leg design for both the front and rear legs results in stability and a sure, solid feel. A fully enclosed chain housing keeps the nickel-plated chain clean.

The Model E includes all the proven features of the Model D plus those listed here.

Available in light gray (shown) and black.

One-piece leg design for solid look and feel

The frame is 6" higher, positioning the seat at a comfortable 20" height

Fully enclosed chain housing helps keep the chain clean

Longer monitor arm brings the PM5 closer to you

High gloss, powder-coated frame protects against scratches

Separates easily into two parts for storage.
